BUILDING LIVES

We will support the
people and businesses
in our communities
to thrive

We will deliver
high-impact social
value which we can
demonstrate meets
the needs of local
communities

How we do business
will set the standard
for social value in
our sector

We will support people
who face significant
barriers to be in,
or on the path to,
good careers

Partner with us to create communities that thrive

PASSIONATE ABOUT HELPING PEOPLE IN LOCAL AREAS, WE COMMIT TO:

- **Effective communication** with customers to create a bespoke social value plan and deliver on it, providing help to **tackle key social and economic challenges**
- Delivering high value sessions to **build stronger, resilient communities**
- **Maximising positive impact** through inspiring partnerships
- **Partner with local community** social enterprises, career guidance services and charities, to further deliver on **agreed commitments**

Supporting your requirements

We deliver on our commitments through our **dedicated, hard-working social value team**. Each project will have a **passionate individual** working **directly** with your team consistently to ensure the **local community is a priority** throughout. All of our people have a responsibility to support this. **Career** workshops, **employability** sessions, work experience, t-level placements, local initiatives, and supporting **reducing crime** and reoffending are a few examples of what we undertake.
